

DOES HAPPINESS GROW ON TREES?

Naturally Healthy May 2019 Competition

How does it feel when you spend time with nature?

Using artwork (painting, drawing, photo, poetry or creative writing) show us the feeling you get when you spend time amongst trees, flowers, mud, plants, insects and wildlife

There will be some fab 'outdoors' **prizes** and a chance to see your artwork displayed in an exhibition.

All entries must be submitted by May 24th either digitally to Klambert@somerset.gov.uk or, by post to, 'Does Happiness Grow on Trees?', Quantock Hills AONB, Fyne Court, Broomfield, Somerset TA5 2EQ'.
If your artwork is a picture, please include a sentence about how nature makes you feel
